ULTIMATECUT High Performance Cutting Oil Spray, 300 ml - Item no. 101 012 U

- Excellent cutting and cooling effect, significantly increases tool life, even with hard and brittle materials.
- Ideal for twist drilling, thread tapping, reaming, countersinking.
- For use on common steels, high-alloy, stainless steels, chromium nickel steels, titanium and manganese-carbon steels.
- 100% pure active substance - Free from propellant gas, **no dangerous substance**.
